From up-cycling to making memories
last forever, we can frame any of your
hen-do keepsakes!

As well as photographs we specialise in framing wedding mementos and can even arrange costume framing. You may never use it again, but as a framed piece it becomes an everlasting reminder of the love, joy and happiness of your special occasion and creates a stunning piece of personal art for your home.

We have been proud to
work with happy and
satisfied customers from
all over the country.

"What I like about photographs is that they capture a moment
that's gone forever, impossible to reproduce." - Karl Lagerfeld

Some of the wedding mementoes we have framed include:

- Seating plans and menus
- Wedding guest lists
- Cake decorations
- Dried bouquets and button holes
- Wedding invitations and orders of service
- Wedding photographs
- Champagne corks
- Wedding dresses and bridesmaids dresses
- Speeches
